

Suffolk Coastal Disability Forum Guide to Accessible Transport in Suffolk Coastal

We are aware that being able to access suitable transport is very important to people with mobility impairments. The information in this guide has been prepared by the Suffolk Coastal Disability Forum to provide contacts for public transport services that are accessible to people with mobility impairments including wheelchair users. It is necessary to book journeys with the operators listed in advance of your journey.

This guide does not include information on public bus services which do provide easy access buses.

Using wheelchair-accessible minibuses, multi-purpose vehicles and private cars, the Coastal Accessible Transport Services (CATS) provides transport services for the general public and for community groups and charities. Their drivers are specialists in supporting frail, elderly or mobility-impaired passengers and can provide a door-to-door service on some services.

Details of services are listed below:

Booking

Tel: 01728 635938 (Monday – Friday 8.30am – 4pm)

Website: <http://www.cats-paws.co.uk/index.php?pid=222>

Email: community.transport@cats-paws.co.uk

This Transport Service operates easy access minibuses which have low steps, handrails, and a lift for wheelchair access.

Suffolk Coastal Disability Forum

The Suffolk Coastal Disability Forum is set up as a reference group to assist Suffolk Coastal District Council to listen, learn and consult with disabled people.

It creates opportunities for disabled people, their families, and disability organisations in Suffolk Coastal district to come together to:

- Consult directly with Suffolk Coastal District Council services and facilities
- Provide a collective and stronger voice on all issues of disability
- Make a difference
- Improve lives

It meets 4 times a year in January, April, July and October and further details concerning dates and venues can be obtained from the secretary.

You can also find out more information from our web pages at:
