

LCRS (Local Council Risk System)

The **Local Council Risk System** has been designed to allow Town or Parish Clerks to quickly identify and score their local risks. The system has been designed by internal auditors with the aid of several Town and Parish Clerks.

Designed by practising professionals specifically to meet the needs of Local Councils and assist in the general administrative process, the system combines ease of use with effective solution. More than 390 general risks and over 1,100 controls, identified in service areas, that can readily be amended or supplemented to account for unique local risks, are built into the programme. A straightforward scoring and reporting system leads to an action plan that pinpoints both timescale and responsibility.

Benefits

- Saves you time.
- Simple five-step process.
- Easy set-up process.
- Easy to navigate around and user-friendly.
- Most risks already listed.
- Your legal requirements listed.
- Add your own local council specific risks.
- Ability to customise all pre-loaded risks.
- Customised reports automatically produced.
- Action plan automatically created.
- Insurance and Health and Safety checklist reports included.
- Year on Year comparison.
- Spreadsheet export function.
- Full Help file.

The LCRS five-step process

The scoring system is a **five-step** process starting with entering your Council details followed by selecting and scoring your risks. **LCRS** allows you to add new risks and amend current risks to your local situation. **Action plans** are automatically created for any highlighted risks.

Step 1

Enter your Town or Parish Council details and contact details.

Step 2

Select the relevant areas that relate to your Council.

Step 3

Score your risks, after adding any additional local risks.

Step 4

Create action plans for all identified risks and allocate to all relevant parties.

Step 5

Run your risk reports.

Risks pre-loaded for

Users include

Over 500 Town and Parish councils have been served by LCRS including

- Driffield Town Council
- Goole Town Council
- Holyhead Town Council
- Hornsea Town Council
- Snaith & Cowick Town Council
