

Woodbridge Town Council

Emergency Response Group

Let's help residents to help each other

From the Mayor of Woodbridge, Councillor Patrick Gillard.

You are all aware of the rapidly-developing problems caused by the COVID-19 virus. Woodbridge Town Council have suspended all public meetings of the council for the time being to protect the residents of Woodbridge, however we want to continue serving you as best we can in this time of national concern.

We in Woodbridge pride ourselves on our sense of community. Woodbridge Town Council are therefore looking for people with or without a DBS certificate to join the 'Emergency Response Group', a database of volunteers willing to help;

We want to help you:

If you are forced to stay indoors due to Coronavirus, we can help YOU with:

- Picking up shopping and medication which has been ordered and paid for
- Posting mail
- A friendly phone call
- Answering questions
- Walking the dog

We are asking for help:

We are looking for volunteers to help our community, can YOU:

- Deliver shopping
- Make a friendly phone call
- Answer practical questions

If you need help, or if you want to be added to our database of volunteers, phone one of your Ward Town Councillors' phone numbers on this card during normal working hours and we will make sure that your question or offer goes to the right person. Alternately, contact us via our emergency email;
