1. SCOPE OF RESPONSIBILITY

Woodbridge Town Council is responsible for ensuring that its business is conducted in accordance with the law and proper standards, and that public money is safeguarded and properly accounted for, and used economically, efficiently and effectively.

Woodbridge Town Council is responsible for ensuring that there is a robust system of internal control which facilitates the effective exercise of the Council's functions, and which includes arrangements for the management of financial risk.

2. THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives. It can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an on-going process designed to identify and prioritise the risks to the achievement of the Council's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

3. THE INTERNAL CONTROL ENVIRONMENT

The Council:

Woodbridge Town Council reviews its obligations and objectives and approves budgets for the following year at its January full Council meeting. The January meeting of Woodbridge Town Council approves the level of precept for the following financial year.

Appendix I

Internal Control Statement

Woodbridge Town Council as a whole is responsible for ensuring that its financial management is adequate and effective, and that the Council has a sound system of internal control which facilitates the effective exercise of its functions, and which includes arrangements for the management of risk.

Woodbridge Town Council has determined that the most appropriate method of internal control is at its Finance Committee and, a regular Internal Audit review undertaking routine checks to ensure that the accounting records are being properly completed. A random selection of items will ensure that the person carrying out the review is satisfied that the accounting records are correctly maintained. The following checks are to be carried out as part of the audit:

- that the cashbook is correctly written up and mathematically correct;
- that cheque/BACS amounts agree with invoices;
- that bank reconciliations are regularly undertaken;
- that income due is received;
- that VAT returns have been completed;
- that salary payments agree with Council approved amounts;
- that petty cash is balanced and agrees with receipts;
- that financial statements produced for Council agree with the accounting records;
- that the asset register is updated annually;
- that the risk assessment is updated and reviewed annually;
- that all income/expenditure is reported to the Council and properly approved;

Statement

Woodbridge Town Council considers these are reasonable controls; however, care should be taken to ensure that internal control checks are proportionate and relevant, and that they are neither seen as, nor intended as, undue interference in the RFO's day to day management of financial affairs.

Woodbridge Town Council reviews its statement of internal control on an annual basis. A report on the findings of this review will be considered by the full Council, along with the Council's statement of internal control, and formally recorded (i.e in the minutes, or in a separate report which is referred to in the minutes).
