

### **Government Procurement Card transactions**

The Local Government Transparency Code (2015) was issued to meet the Government's desire to place more power into citizens' hands to increase democratic accountability and make it easier for local people to contribute to the local decision making process and help shape public services.

Part 30 of this code states:

*Local authorities must publish details of every transaction on a Government Procurement Card. For each transaction, the following details must be published:*

- *date of the transaction*
- *local authority department which incurred the expenditure*
- *beneficiary*
- *amount*
- *Value Added Tax that cannot be recovered*
- *summary of the purpose of the expenditure, and*
- *merchant category (eg. computers, software etc).*

This document confirms that Woodbridge Town Council do not hold a Government Procurement Card and therefore no transactions need be reported.
